## **RHOSYDD BACH HOLIDAY COTTAGES**

Rhosydd Bach Holiday Cottages are three Luxury Courtyard Cottages set in 8 acres of private land and gardens in an idyllic country-side location between Pwllheli and the seaside town Nefyn/Morfa Nefyn.

There is also an extensive play area for children comprising climbing frame, swings etc as well as barbecue areas for each cottage and ample private parking.

I am the proprietor, Geraint Jones, and I have ultimate responsibility for the environmental issues at the premises. I am aware of the minimal impact that Rhosydd Bach places on the environment, and as such I will continue to strive to maintain and continually improve upon this position by: -

- Promoting a sense of responsibility for the environment through raising the environmental awareness of guests.
- Continually monitoring and reviewing the amount of waste, energy and water generated by encouraging recycling and waste segregation, energy efficiency and water minimisation
- A commitment to pollution prevention.
- Efficient use of natural resources to reduce the net generation of carbon dioxide.
- Ensuring we comply with all relevant environmental legislation.
- Continual environmental improvement achieved through environmental targets and objectives implemented over the next twelve months.
